

What is VIS?

Volunteers for Issaquah School (VIS) was formed in 1977. It is a Non Profit 501c4 organization that works to promote passage of Issaquah School District bond and levy issues. School districts are prohibited by law from actively promoting the passage of bonds and levies. Financial resources of school districts can only be used to provide information and facts related to the ballot measures.

Bond and levy campaigns for schools are costly. Under Washington State law bonds require a super majority (60 %) and levies a simple majority (50 %) to pass.

What are contributions used for?

Most campaign costs are related to delivering information about the ballot proposals and to increasing voter turnout.

Costs include printing/postage for campaign literature, newspaper advertisements, yard signs, buttons & magnets and voter registration. Bond & levy campaigns that are successful are supported financially by community members who understand the vital role of quality public education for the overall well-being of the community.

All donations and expenditures are reported to the Public Disclosure Commission in Olympia. Records are available for inspection upon request.

What can you do to help?

Be an advocate for public education within the Issaquah Schools community. In addition to making an important financial contribution, opportunities exist for volunteers to help with campaign strategy, fundraising, voter registration, mailings, yard signs and honk & wave.
